

Arcadia Junior Woman's Club

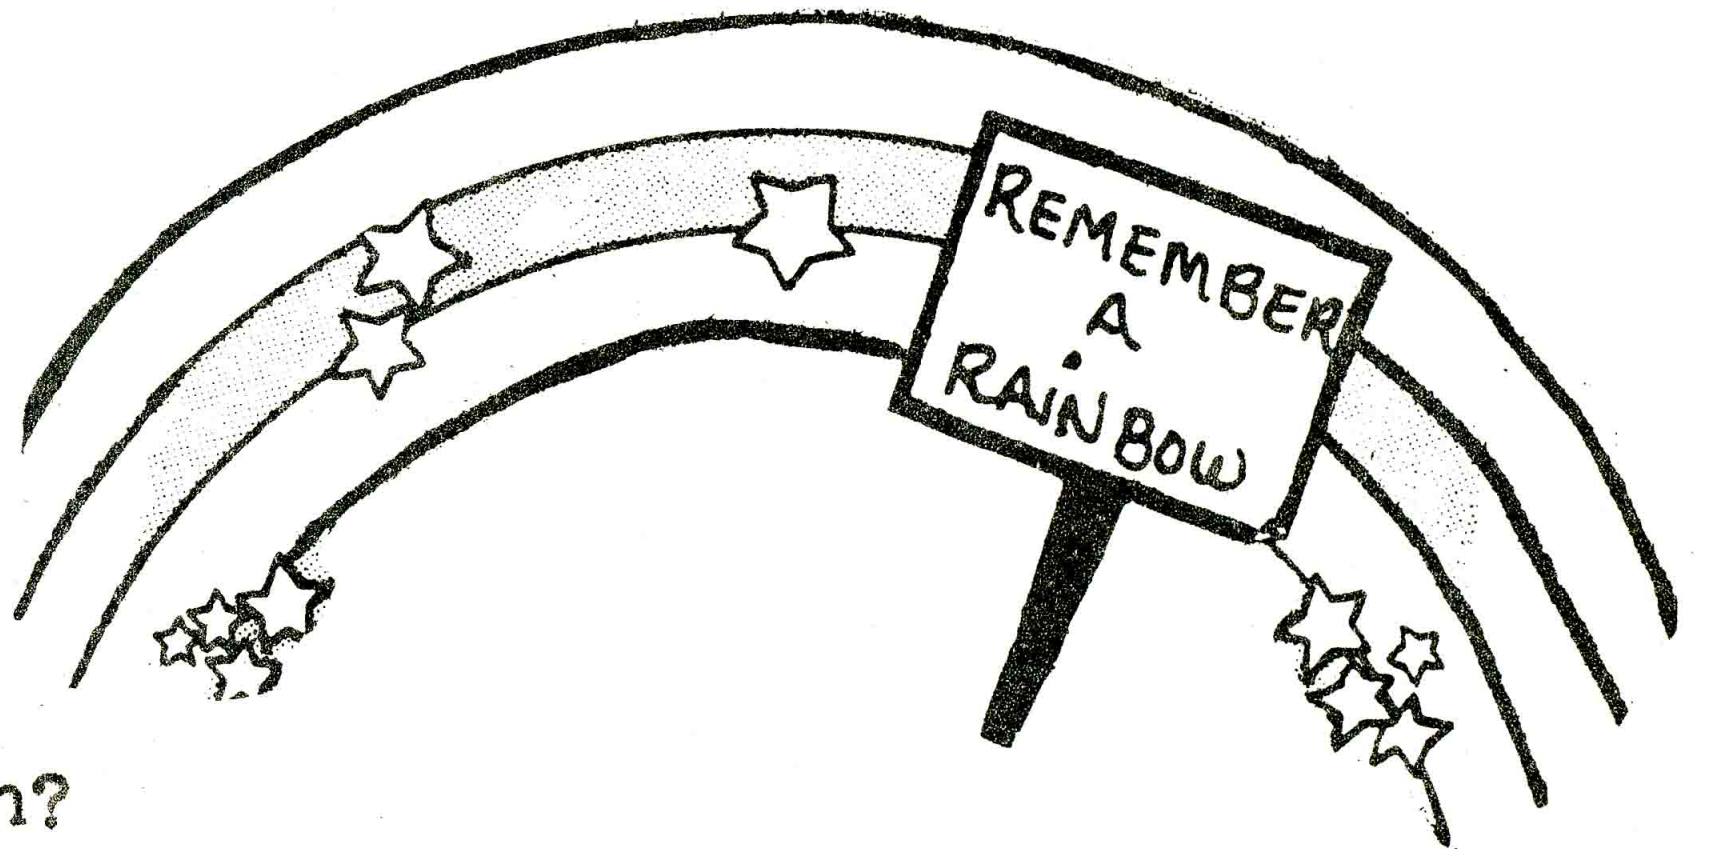

September 1980

Caren Laing, President

Marilyn Daleo, Editor

PRESIDENT'S MESSAGE

I hope that all of you enjoyed your vacation as much as I did mine and are now thinking about getting organized for Fall activities. School will be starting as well as our regular Junior meetings...can you believe that there are only seven regular meetings left until Installation? Where did it all go?

I'd like to thank Peggy Sisson for all the dedication she has shown to Juniors. Not only is she the one responsible for our bylaw revisions, but she also typed and coordinated the Reunion booklet, as well as being our Health Chairman and the District Secretary. Whew! What a Junior.

Also, at this time I'd like to recognize the various project chairmen who have come forth. It is wonderful to see how well specific chairmen seem to work. Thanks go to Wende for chairing the Recreation projects, Monika for Maryvale, Sue for dilly dip, Jill for Con Games, and Marilyn and Jill for the Arboretum Concert. If each member chaired only one project for the club year, think how well we'd spread the leadership and the work and how much each of us would grow.

In friendship,

Caren
